## Hmong Health Care Professionals Coalition (HHCPC)

In collaboration with MN Department of Health and St. Paul - Ramsey  
County Department of Public Health

Presents

### **Strengthening Hmong Health in the 21st Century**

**October 14, 2005**

8 a.m. to 4:30 p.m.

Minnesota Department of Health (Snelling Office Park, St. Paul)

---

Learn about emerging trends in Hmong health and health concerns of the Minnesota Hmong community. How can we best work together to strengthen Hmong health status? This one day conference is open to anyone with interest in cross-cultural health issues and those interacting with Hmong individuals in a variety of health fields. Suggested attendees include:

- Nurses
- Physicians
- Social workers
- Researchers
- Hospital and health plan administrators
- Students
- Community service providers

*Together we can make a change!*

More information to come August 1st at [www.health.state.mn.us/omh](http://www.health.state.mn.us/omh) .
